## High Relief Sculptured Die Cast Medals 2" To 3" Diameter

All medals come in gold, silver & bronze. Medal illustrations are reduced. These medals have considerably more relief & weight than your average die cast medal. The back of the medal may be engraved or imprinted. The academic medals are available with our stock school imprints listed on page 38. There is an extra charge for imprinting the front of the medal. For ribbon selection please refer to pages 53-58.

## Sculptured Genuine Pewter Key Chains

In order to show the pewter images **actual size** we have photographed most without the key chains. All are delivered with key chain shown in the first row, and individually poly bagged. These key chains can be personalized with engraving on the backside, and the result is a bright deep cut into the pewter. There is no metal that engraves as well as pewter.

## Stone Resin Plaque Mounts 4" Diameter

These fully modeled meticulously hand painted stone plaque mounts come in 23 subjects. They are ideal for 6" x 8", 7" x 9" & 8" x 10" plaque boards. In addition they look great on large multiple plate plaques. To enhance the emblems we supply a Stone resin scroll plate that can be directly laser engraved, or used to mount an engraving plate. We show one plaque mount actual size.

# Die Struck & Die Cast Metal Frames For Plaques And Plastic Injection Molded Frames For Plaques

All of the frames hold engraving plates. The plates are priced separately. Some of the frames can be laser engraved directly on the flat area and are noted under the product number. Most of the frames need to be attached to the plaque board with screws.

**X 8808** 8 1/2" x 12 1/2"  
We show it with a black plate as we think it looks great. The black plate is extra. The frame is laser engraveable.

# Photo Image Certificates, Leatherette Frames, & Linen Presentation Folders

The Leatherette frames measure 10 3/4" x 13" & hold an 8 1/2" x 11" certificate. They are horizontal or vertical, and can hang or stand. The four colors are black, blue, red & green. The inexpensive linen presentation folders measure 9 1/4" x 11 1/2", and have slots for an 8 1/2" x 11" or 8" x 10" certificate. The five colors are black, navy blue, dark green, white & maroon. The outside of the folder has a decorative gold foil design.

# Stock Satin Brass & Black Coated Brass Plates & Disc

All plates on this page are 85/15, satin jeweler's brass and baked coated black brass. The satin brass plates and black coated brass are suitable for diamond drag or burnish engraving. The black coated brass can also be laser engraved.

*"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation UNDER GOD, indivisible, with liberty and justice for all."*

Etched Soft Enameled Brass Plate

# Stock Aluminum Engraving Plates & Discs

Below is a combination of satin & polished gold or silver aluminum, bake coated aluminum in different colors, spun aluminum and silk screened aluminum. We recommend diamond drag engraving on aluminum. Laser engraving can only be done on the black silk screened plate and the Stone resin scroll plate. All plates can be imprinted or silk screened.

# Silk Screened Brass & Brass Plated Plates

All of the silk screened plates can be laser engraved, burnished engraved or diamond drag engraved. The satin brass and brass plated plates are only for burnish or diamond drag engraving. There are 2 sizes of a coined raised plate with a beveled border that require a foam adhesive to attach to a finished product. All plates can be imprinted or silk screened.

## Heavy Electroplated Resin Figures

These resin figures have a thick metal coated finish, and are offered in various colors such as brass, silver & cooper. The brass and copper are antiqued and the silver is a bright finish. All figures have a 1/4" 20 rod for attaching to our bases. The detail on these figures is unmatched in the industry. We list the appropriate trophy base under each figure. All figures are individually boxed in Styrofoam.

## Die Cast Metal Eagle & Star And Hand Painted Eagle Heads

The Soaring eagle and rising star are die cast in zinc with a heavy polished gold, silver & antique bronze plating. They come with a 1/4" 20 rod for attaching to our bases. The eagle heads are meticulously hand painted and metal coated. The hand painted American flag sits on top of stone resin. All items are priced without plates and without medallions; plates and medallions may be purchased separately unattached. The eagles are individually packed in Styrofoam boxes. The medallions can be found on pages 3-21.

# Cast Stone Trophies

These cast stone trophies are not to be confused with resin trophies. They are made from stone particles and have a look and feel of real stone. The beauty of these trophies is that you can laser engrave into the stone and end up with darkened letters requiring no color fill. The medallions and plates shown on some of the trophies are not included in the price. All items are packed in individual Styrofoam boxes.

## Cast Stone Trophies And Coasters

These cast stone trophies & coasters are not to be confused with resin trophies. They are made from stone particles and have a look and feel of real stone. The beauty of these trophies is that you can laser engrave into the stone and end up with darkened letters requiring no color fill. You also have the option of attaching an engraving plate. We have also created unique trophies by combining optical crystal with the cast stone base. All items are packed in individual Styrofoam boxes.

# Italian Metal Trophy Cups & American Traditional Metal & Plastic Trophy Cups

The metal cups can not be engraved. Only the Italian cups are supplied with hardware for mounting. For the majority of the cups we have listed the appropriate wood base for each cup. In addition we have photographed the American trophy cups on the appropriate base, but the bases are supplied separately at an additional cost. All our bases can be found on page 111.

Gold cups usually have a walnut finish base and silver cups a black wood base. The choice is yours.

## Mascot Pins: Fully Modeled 3-Dimensional

Currently there are 19 subjects with more to come. These pins are more than just school mascots; you will find a universal demand for these artistically sculpted replicas, in the corporate, military & non-profit markets. Since they were originally created to be pinned on school chenille letters they have a 7/16" nail. All illustrations are actual size, and all pins are copyrighted.

Trophies

Eagle and Flag Trophies

Medals and Charms

Die-stamped and die cast medals with high relief, sculptured 3 dimensional images created from original designs by highly skilled artist, sculptures and die makers with decades of experience. The medals are electroplated in gold, silver, and bronze with diamond engraved borders. Additional features include sandblasting, polishing and epoxy enamel. If you do not find the medal that works for you let us create your own custom medal that can be used for years to come.

Award Plaques

Our plaques are divided into six categories that utilize genuine Walnut, Birch, Maple, Alder and simulated Walnut grains. The finishes range from satin hand rubbed stained and lacquered to high gloss piano finishes. We make extensive use of decorative stamped and cast plaque mounts consisting of torches, wreaths, leaves, branches, eagles, plaque frames and figure plaque mounts. Many of our engraving plates used on plaques have been silk screened to accommodate laser

Trophies

Our trophies include the traditional ones with figures and medallions, decorative Italian trophy cups, resin and metal eagles, large occupational & sport figures, resin mascots, resin scholastic trophies and unique stone resin designs for corporate awards. Many of our trophies are designed to make use of our 400 stock medallion inserts which are listed separately on the website. For crystal and glass
